

**DYNABOOK AMERICAS, INC.
DYNABOOK PARTNER PROGRAM – DEMO DISCOUNT PROGRAM
DISTRIBUTOR CHANNEL COMMUNICATION**

PROGRAM CANCELLATION – EFFECTIVE JUNE 30, 2024

OVERVIEW

We are proud to announce the Dynabook Partner Program – Demo Discount Program available on select notebooks. With Authorized Distributor’s participation, approved Dynabook Partner Program Resellers will be eligible to receive the stated front-end rebate discount on their notebook purchase based on the resellers’ Membership level within the Dynabook Partner Program. Rebate Benefit calculation is determined by the standard Dynabook pricing (PC1) at the time of reseller’s purchase from Authorized Distributor multiplied by the applicable Benefit Rate shown below.

ELIGIBILITY

Dynabook Partner Program resellers (“DPP Reseller”) must (1) purchase Dynabook notebooks from an Authorized Distributor, (2) be authorized to purchase the ELIGIBLE PRODUCTS (see below) on the date of the purchase from Authorized Distributor, and (3) Authorized Distributor must report the DPP Reseller purchase using a Dynabook approved reporting method. Any DPP Reseller listed on Dynabook’s official Partner Program Registration file on the date of purchase will be deemed to be authorized to purchase the ELIGIBLE PRODUCTS from Authorized Distributor on such date. The Registration file is communicated to Authorized Distributor on a daily basis and it is Authorized Distributor’s responsibility to confirm DPP Reseller’s authorization prior to applying the Rebate Benefit for any transaction. This Rebate Benefit offer is not valid and may not be combined with any other Dynabook or channel discounts or rebates unless otherwise agreed by Dynabook in writing.

ELIGIBLE PRODUCTS/ BENEFIT RATE (per unit)

	Silver Membership Level Demo Discount Rate	Gold Membership Level Demo Discount Rate	Platinum Membership Level Demo Discount Rate

DEMO DISCOUNT RATE DISBURSEMENT

Authorized Distributor must compute and apply the front-end Demo Discount Rebate to any applicable DPP Reseller transaction at time of purchase. At the end of each month, Dynabook will utilize EDI sales-out reporting to audit Authorized Distributor’s sales totals (units sold out net of returns). To participate in this Program, Authorized Distributor must submit weekly sales out reporting to Dynabook. Any alternative method of sales-out reporting must be approved by Dynabook’s finance department prior to participation in this Program. Upon Dynabook’s verification of Authorized Distributor’s sales information and reports and the receipt of an appropriate claim, demo discount rebate amounts will be calculated, verified, and issued by credit memo to Authorized Distributor. Debits or “invoice offsets” may not be taken in advance.
